# In appreciation

To one whose life is filled with so many interesting things, yet who is never too busy to stop and say a kind word to her students . . . who stands constantly ready to help all who call upon her . . . to one whose understanding, unselfishness, genuineness and humility have made her beloved by students and faculty . . . we, the Senior Class, dedicate the '69 Pine Burr to Miss Helen Stroupe — our "Stroupie".

# FEATURES

In every lifetime, somewhere, there are bridges to cross and mountains to conquer. Features make up some of these mountains and bridges. Everybody wins sometime and somewhere. At L.H.S. there are many winners. Here's a picture of life; take it, look at it; but most of all, **LIVE IT.**

## "HOMECOMING"

Homecoming is a time to laugh, a time to cry, a time to remember, and a time to experience. It's a happening. Homecoming is one of those things that aren't really things; it's a feeling. It's the feeling of people who CAN be and ARE.

# SPORTS

Somewhere, there is something that binds the students of L.H.S. together. That something is found in sports. The spirit of sports brings people together. This somewhere something is so important. Perhaps, all the somewhere somethings hide meanings that men have sought for ages. Sports is a something; it's people, and aren't people what everything is all about anyway? Think about it; SOMEWHERE.

Somewhere, a small group of people talk, argue, and then — agree . . . It's late, but there's still work to be done and things to decide . . . like who's going to sell this ad? Or how should this copy be done? But tomorrow's a school day and it's really late. "It's finished," were the words of pleasure for the '69 Pine Burr staff. Sure it was fun — but it was more than just fun. It was exciting; it was tiring — and, it was WORK.

# VOCATIONAL EDUCATION

What to do after high school? That's the big question for some students at L.H.S. Here we, the students, are prepared to enter life with a good job by having a high school education and being trained in certain fields.

# MUSIC

The Band and Glee Club of L.H.S. do much to promote school spirit and spread musical culture throughout our school. Whether it be preparing chapel programs or marching on the football field at 7:30 in the morning, you can depend on the music department to come up with a winning number.

# COMMERCIAL ARTS

The Commercial Arts courses offered at L.H.S. are a necessity for those entering the secretarial and business professions. Typing, bookkeeping, and shorthand are the main subjects taught in this department. The chief objective of this department is to produce efficient and capable young business people.

## MAUNEY'S MANGLERS NO. 1 1968-69

AND FINALLY A WORD OF APPRECIATION TO THE FACULTY—

1. For not loosing their minds during the hectic days of picture taking.
2. For not killing the sponsor for making a thousand and one announcements on the P.A. system. (Actually it was only 623)
3. For just being the most cooperative group of people in the North Temperate Zone.

We Thank You!
